General Burn Permit Regulations shown below:

1. Only accumulated brush, dead trees, tree limbs, shrubs are permitted to be burned.
2. It is prohibited to burn construction material, household trash, appliances, etc.
3. Burn piles to be min. 150' from all structures whether on same site or adjoining sites.
4. Burn piles to be min. 300' from any street, public park, school, medical facility.
5. Burn piles to be cleared/disked at a 100' radius around each pile; to be inspected.
6. Applicant/On-site supervisor must notify Fire Marshal person-to-person prior to burn. (NOTE: a text or email is an invalid form of notification)
7. Fire Marshal shall inspect burn site(s) on day of/prior to any burn commencing.
8. Applicant/On-site supervisor shall have a substantial water source available @ site & have heavy equipment capable of extinguishing the fire (if deemed necessary).
9. Fire Marshal shall discern on day of burn if the County Fire Marshal's office has provided/posted clearance for burn (dependent on environmental conditions).
10. Complaints (smoke, odor, visibility, health, etc.) will require burn to be extinguished asap.
11. Burn only between sunrise and 12pm only; all piles must be fully extinguished before sunset.
12. The burn site(s) must always be supervised and shall not be left un-attended.
13. There shall be no minors permitted on the premises once the burn commences.
14. Only 1 pile will be authorized to be burned at any one time; no multiple piles burning.
15. Gasoline shall never be used as an incendiary fuel during the burn permit process.
16. Burn Permit (hard copy, photo, etc.) shall be available upon demand on the day of the burn.
17. It is the applicants' responsibility to study/learn the City of Alamo's burn regulations. Non-compliance to Alamo's burn permit regulations shall be prosecuted according to code/law.
18. The City of Alamo, its elected officials, and its city employees shall be held harmless in their public and/or private capacity, for any inadvertent injury and/or damage that may be caused, directly or indirectly, as a result of the burn permit protocols.

I have read the above, understand the burn regulations of Alamo, Texas, and agree to abide by them.
